Sewing TUITION

Card makers & scrapbookers are learning how using a sewing machine can enhance their craft. Sewing-tuition.co.uk can help you be even more creative. You can learn how to make craft items using a sewing machine, have a refresher day, get to know the machine you have boxed away or just try a sewing machine before you go shopping for one. Sewing Tuition celebrates 20 years this spring, so Craft Beautiful readers receive 10% off any of their courses. Individuals or groups are also welcome to join them in France on 18th to 25th June 2011 for a week of crafting with like minded people.
